Gentlemen:-

Can you advise me as to demand & possible price that could be obtained for:-

Plaque of Theodore Roosevelt made by Victor David Brenner.

I own the only one outside of the Roosevelt family & the one in the possession of Mrs Brenner & have had an inquiry for the sale of this one.

I also have "The Torch Bearer" by Victor David Brenner.- made for the University of Wisconsin I think, for which I have also had an inquiry. Can you advise me as to demand & possible price of this."

Thanking you-

Yours truly,

(Mrs J. J.) Mae L. Sovea
